	lower. *	necessary.
Preference Shares		Cost or face value, whichever is lower.
Government Security		At carrying cost.
Units of Mutual Funds		At Net Asset Value declared by Mutual Fund in respect of each particular scheme.
Debentures and Bonds		To be treated as term loans or other type of credit facilities depending upon the tenure of the debentures.
Commercial Papers		At carrying cost.

* For this purpose, the investments in each category shall be considered scrip-wise and the cost and market value aggregated for all investments in each category. If the aggregate market value for the category is less than the aggregate cost for that category, the net depreciation shall be provided for or charged to the profit and loss account. If the aggregate market value for the category exceeds the aggregate cost for the category, the net appreciation shall be ignored. Depreciation in one category of investments shall not be set off against appreciation in another category.

b) Long Term Investment

All the Long Term Investments are to be valued in accordance with Accounting Standards issued by Institute of Chartered Accountants of India (ICAI).

8. Delegation of authority to invest

The authority may be delegated to the directors of the Company or any other person authorized by the Board of Directors to make investment decisions and sign investment lodgments and withdrawals. The Directors may in turn delegate the day to-day management of the company's investments. However, any delegations made prior to this policy shall continue to be in effect and the delegates shall comply with this Policy till such delegation is amended / revoked by the Board of Directors.

9. Deviations

Any deviations to this above Policy will be placed before the Board with sufficient justifications and shall require approval of the Board.
